“ I have many memories of growing up with Karen Jo and her cousin Sherri. I remember one time we spent the night with Sherri and for some reason Karen Jo and I shared sleeping in a lawn chair lounger. We were both skinny young girls at the time but we were still very crowded. We didn't get much sleep that night between being squeezed into that lounger and laughing with Sherri. I didn't get to see much of her after we grew up but I always liked her.

“ I wouldn't even know where to begin, there's never been a time in my life that Karen hasn't been in. She was so loving, kind, and giving! I remember at a lake one time, I lost my balance and fell forward grabbing Karen's swimsuit bottoms cause she was bent over, and down they went! Thought for sure she'd knock me out that day! I love her so much and will miss her unbearably for a long time!
