“ *My deepest sympathy to all of Kate's family. I just saw a letter in The Call and was so sad to hear this news. I met Kate at Resurrection when Kaylei & McKenzie were in confirmation/youth group with my daughter Krista. Kate was truly a special person as it is evident by the love & devotion she showed in the life she lived. I hadn't seen Kate in years, but I wanted you all to know what a wonderful blessing she was to so many. I pray her legacy of life continues on through her beautiful children and grandchildren.*

“*Kate was indeed one of the most beautiful of God's children. Such talented lady! I went to high school with Kate and one day I turned around and reconnected with her at Republican events. I was elated when we both shared being Christian and pro-life women. I went to the license bureau where a fellow Republican told me to call Kate. I prayed on the phone with Kate regarding her illness not knowing that would be last I would talk with her until I reach heaven one day with greeted by her smiling face. My Love, Prayers, and Huge Hugs to all of her family. My heart grieves yet I know there is peace in knowing that she is in the Loving Arms of her Savior Jesus Christ.*

“*Kate was indeed quite a gal. I was privileged to have met her at Tower Grove Baptist Church when she was about 25. She was always a passionate person and full of life and a lot of questions. I was so thankful for the opportunity to develop a friendship and see her transform from a sweet Christ seeking young woman to an absolutely dynamic woman who centered her life, her work, her family and her very self around Christ. She was always lovely and humble and seeked only to serve Christ and others. I remember at a Bible study at my home her asking me what my cause was and I answered it was Christ himself because Kate always fought for things she believed in. Kate, I love you and am looking forward to the day when we will see each other again in heaven. As God welcomes you into His kingdom He is going to be very pleased with you. You will be missed for sure, but I am grateful to have had the opportunity to cross paths with you and have you as a friend this side of heaven. xoxoxoxo*

“ Because we hadn't known Kate and Doc very long, every memory we have of Kate is clear and fresh. But she has become unforgettable too soon. We can thank God all the more for being privileged to have known her, and to have shared some of the same blessings and challenges of this life with her and her family. Being with her for even a brief time mattered so much! How she touched others' lives and grew in faith and confidence is how her love for the Lord was enlivened. The memory of her beautiful face, the sound of joy in her voice and her wonderful energy will continue to bless us.

“*Kate is likely the kindest and happiest person I have ever met. It's hard to imagine that anyone could want her more than her family and friends want her - - - but God did want her more and called her home. She is now the sweetest and most beautiful Guardian Angel, especially for her loving husband and 5 beautiful children. God bless all of you, and may you find peace and comfort in each other.*
