“ *I volunteered with Katharine for Valley Park Meals on Wheels. She always had a smile on her face and was so happy. She so enjoyed talking about her family, especially the large gatherings at one daughter's house. Since I was a dental hygienist, she talked about her son in law as well as her granddaughter who were dentists. She was a special lady and you all are truly blessed to have her in your lives. My prayers are with you. Susan Lammert*

“ *With the passing of Katharine to be with Jay, so many of us have lost a tremendous foundation of who we are as adults. I owe them my Drury experience, my career choice, and many of my values. They taught me the importance of generosity. I always felt loved around Katharine. She blessed me with kindness, trust, and encouragement. My condolences to the entire Kilpatric family. Keith Meyer*

“ *My sincere condolences to your loss on this earth of a great woman. Heaven has gained a dear and precious soul. I adored this woman. Her and her husband. Dr. Kilpatric delivered me in 1961. I've always felt a bond to him and Mrs. Kilpatric and also Grandma Kilpatric. He took care of 11 of us kids growing up and my mom and dad. Mrs. Kilpatric was always right there to comfort and sooth us. I will always think very highly of her and Mrs. Kilpatric. Nothing but fond memories. Sending prayers and love to your family.*

*I was so sorry to learn of Kathie's passing, and my heart grieves for her four daughters and their children. She and my Mother became good friends at Cedar Hill Presbyterian Church and I still remember how the two of them always seemed to try and find out who was older. Kathie had a loving, caring heart and it was reflected in her profession, her church, her amazing family. How proud she was of all of them, how much she will be missed. I thought she was a very special person, and my prayers are with her family that they will find comfort in her legacy, and knowing what a wonderful Mother she was.*

“ *My condolences to Kim and her sisters. I have very special memories of your mom as my Girl Scout leader. She remained "Robin" to me into my adulthood. She and Dr. Kilpatric were special people and well respected in Cedar Hill. I remember when the Doctor made house calls when we were sick.*
