“ *I was always going to write here and didn't know what to say. I still don't really. Kathy was such a strong person, always taking care of others. When there was a gathering, Kathy was the one who was always there with welcoming arms. Since it has been almost a year since her death, I don't know how many will actually read this. But Kathy, you are still missed. Al and Gerry*

Yep, Kathy was a caregiver. She took excellent care of Don all those years. She referred to herself as Don's seeing eye wife. Such a grin on her face and twinkle in her eye while she was saying it.
