“ *Kitty was my best friend in the world. Always happy. We were friends since about 1971. We didn't see each other a lot, but that didn't matter. We didn't have to. I'd call her once a week or more. We could talk about anything. Don't know what I'm will do without her. I will never have a friend like her again.*

“ *Kitty was a wonderful person and I was blessed to have known her! I will always remember her laugh, her beautiful smile and her upbeat personality! We went to school together and everytime we ran into each other we were always going to get "the gang" together and go out & catch up on everything... We never did, always something happens - someone can't make it - someone has something else they have to do... and now, it's too late! How I wish we would have done this one more time! Kitty, you just texted me two weeks ago wishing me an awesome trip & how we deserved this adventure...and now I wish you the same...an awesome trip to heaven to be with your loved ones that you haven't seen in years & I can't wait until we have the reunion that we always talked about! You will be truly missed by everyone here! My deepest condolences to her family and especially to Montey, our hearts go out to you & we will keep you in our prayers... love you! Carol, this is Sharon Gremaud, Hoer. I didn't realize that you and Kit, were friends too. Maybe I will see you at the service. I've cried every day. Such a shock. But she's with GOD for sure.

“ I had the pleasure of going to school with her but more than that to call her my friend. We had some crazy, crazy, fun times in school and after we graduated. She had the best smile ever. We reconnected at our class reunion last November and were "facebooking" jokes to each other. We "got" each other's humor. Birds of a feather.....she was so supportive as I battled cancer this past year as well. She is going to be missed beyond words. Love and prayers and I know heaven will never be the same with Renee, Gwen, Kitty, Jesse, Larry, and George shaking things up. RIP Kitty. Prayers to Monty and the rest of the family.

“ Kitty was a wonderful, beautiful, sweet soul. Always had a hug and a kiss ready and her big infectious smile. My heart is truly broken. She and I shared a love for the big fur babies and our family as well. Our lives are blessed to have had her for the time that we did. I love you so much Kitty.

“ *My heart is broken, My aunt Kit was more than an aunt to all of us, she was our friend, and a second mom to all her nieces and nephews. She built her own special relationship with all her nieces and nephews making each of us feel close and special to her. Her smile and laugh was contagious, and never will be forgotten. Her personality was warm, loving, caring, and accepting to EVERYONE. She loved UNCONDITIONALLY! When people met her, they never forgot her, and she became your favorite person to talk too and be around. She was absolutely an amazing women. I was always so proud to call her "my aunt kit". I miss all our long converstations, her advice but mostly her hugs and love . She will deffiantly never be forgotten and will be missed every single day. Our lifes have all been drastically changed forever. I miss u always and forever aunt Kitty.*

“ It breaks my heart, having to write this about my wonderful, sweet, funny, big cousin. She had a heart of gold. Not only did she love animals, but children as well. At Uncle Willard's funeral, I walked inside & by Kitty, thinking she was mom. I told her that I almost called her mom & she looked at me & said, "I take that as a compliment. My Aunt Shirley is beautiful!" I joked with her that she was a suck up but in reality, this is why she was the favorite niece. She always said such wonderful things about the family. I loved her so very much & will miss her & how she brought such happiness to our family.

She was the best Aunt anyone could ask for she was not only an Aunt to me but a mom, a friend and the glue that held our family together. "Keep On Keeping On," Aunt Kitty, since the day you left this world in front of my eyes the world has never been the same. I love you, your neice Mandys..❤️
