“ Kathy and I worked together for several years. She was always so kind and caring not just to her fellow employees, but, to the patients as well. She always had a way of finding humor in every situation. I loved her smile! It was a true blessing and a joy to have worked with her as well as her daughter Julie. You are all in my thoughts and prayers for peace and comfort during this difficult time.

“ Oh sweet Kathy a.k.a. Rawson I will so miss you. Even though we seldom crossed paths I can still hear the whispers and feel the laughter as we discussed who knows what lol. You were indeed a chatty sweetheart. You never failed to ask about my sister Sharon who was in your nursing class. I struggle accepting your departure but know when we meet again you will have so much to share. Rest well my friend you were so loved💕

“ Kathy and I kept in touch after I left JMH in 2001- her letters were full of the love for all her family and news of coworkers and the trips she took. I always kidded her calling her chatty Kathy cuz she always ran out of room in her cards and letters. I will miss my dear friend💕
