“ *Kathy, I will miss that mischievous twinkle you had in your eye and the laughter that went along with it. We had some of the best inside jokes anyone could ask for & for that I am forever thankful. You were one hell of a friend and person and I am blessed that you were a part of my journey. I know you will look at for little Miss Addie for me and be cheering from afar... See you in the funny pages my friend...& know that I will always love you.*

“ Kathy was part of our girls group who shared monthly dinners as well as many birthdays and Christmas parties. This special woman was the light in our group. Kathy never knew a stranger, she talked to everyone. Kathy was a genuinely beautiful soul inside and out. I had the privilege of being able to talk with her and tell her how much I loved her the first night she was admitted to the hospital. I could never, ever, have imagined that it would be the last time. I will forever be grateful for her friendship. She always tried to talk me into making a Facebook page. I wish I had now so I could see her face again. Rest In Peace my sweet friend until we see each other again in Gods glorious kingdom.
