

## Keith Robert Hudson

September 22, 1963 - May 23, 2025

Hudson, Keith of Cedar Hill, Missouri, was born September 22, 1963 in St. Louis, Missouri to Alonzo & Joyce (nee Benson) Hudson and entered into rest Wednesday, May 21, 2025 in Fenton, Missouri at the age of 61 years.

He is preceded in death by his father, Alonzo Hudson. He is survived by his mother, Joyce (Benson) Hudson; his children, Brandon Hudson, Joshua Hudson, Tawny Baumgarth, Jacob Hudson; his siblings Brad (Candice) Hudson, Belinda (Michael) Hudson and 14 grandchildren, nephews, nieces, along with numerous other extended family and friends.

Keith Hudson lived a life full of passion, creativity, and a relentless pursuit of adventure. He was a skilled Union Journeyman Bricklayer for over 30 years. A dedicated motocross enthusiast, he reveled in the thrill of the ride, pushing himself to the limits on every track. Off the bike, Keith's hands crafted masterpieces, skillfully making and refinishing violins with an artistry that reflected his deep love for music. His heart beat to the rhythms of all kinds of genres. But perhaps his greatest joy came from aggravating those he loved—his mischievous spirit was as much a part of him as his many talents. Keith's life was a blend of energy, craftsmanship, and humor, and he will be deeply missed by all who had the privilege to know him.

“ We met in the fall of 1990. He and I shared a love that evolved throughout the years into a love that withstood every test that time would present to us. Keith was the one great love of my life....and I know I was his. I'm very sad that we will not have the chance to make our plans for the future come to fruition.

*I miss him.*

*Keith gave me my only son. Jacob has grown into quite the capable and many talented man his daddy was. I am extremely proud of them both.*

*I'm very blessed to have had the time & experiences I've had with Keith.*

*Keith was absolutely the most capable man I've known. He could do anything he set his mind on & do it with a kind of precision, grace & efficiency unlike any other. The man was a machine.*

*He taught me how to do so many things. He showed me I had capabilities I never knew I had. He helped me develop my hidden talents. He encouraged me in ways no one else ever did.*

*His unexpected passing has left me very sad indeed. However, I will keep his memory alive by focusing on what I've had with him instead of what I've lost.*

*God Bless Keith Robert Hudson*

*My best ever friend.*

*A constant in my life.*
