“ *My love thoughts and prayers are with you Barb, Kevin, Maleah, Rae and Deborah. I'm here for you, if there's anything i can do, please don't hesitate.*

When i think of Keith, i think of Barb. They had that kind of love that joins you at the soul eternal. She spoiled him, with her love devotion, and her skills in the kitchen. He loved and cherished her, and the happiness she brought to his life. Her ability to love and understand him. And stand by his side. Their shared love, for their family of dogs. And their love and pride in Kevin and the girls. I remember how excited he was teaching the girls to shoot the bow. And all of the cool things he would make it if hides. He was always proud and excited when Kevin would have successful hunts. I will never be able to say the right words. There's an empty places in this world, where once a strong man stood. In my heart he'll always be my pops in-laws 💔😭

“ Sorry for your loss Barb...so sorry I just now saw this. I guess I wasn't on Fb the last few days and missed this posting. I will be holding you and your family up in prayer. Asking the Lord to give peace and comfort. I guess it's been at least 40 years since I saw you and Keith but I remember times I spent with him like they were yesterday. I have had him on my mind the last few days and now I know why. May God Bless you Barb.
