“ *I love you Pops in heaven we meet again I hope your heart is full and your pain is gone and that you and momma are in each others arms again. You will be deeply missed. I'll see you again when the good Lord calls me home. Love ya daddy*

“ *When I first started spending holidays with the family Ken was immediately friendly and made me feel like a part of the family. He always treated me like a brother. I will miss his laugh and talking about music and hearing his stories of morel hunting and about anything else that was on his mind. No matter what he was going through in his life he always made you feel important and cared about what was going on in your life. The world lost a good person and we lost a brother. Fly high Kenbo, may the loved ones you've lost along the way be the first to greet you on the other side.*
