“ I just recently learned of Mike"s passing from the Brooklyn Law School Alumni Magazine. It came as quite a shock even though I had not seen Mike since he left New York to return to Missouri. We were classmates at Brooklyn Law, 1976-79. We used to hang out together, socialize and play golf together. I am so sad to learn of his death. He was always quick with a smile and some funny comment. My condolences to his loved ones.

“ Sorrows weigh us down. Restricting our movements. Limiting our ability to fly. Eventually sorrow will pass. Gratefully angels can guide us to stand tall, fly high, and we will be free again. Carl & I will be with you every step of the way.

“ *A void has been created in our lives with Mike's passing. Mike and Clara were an important part of our family. His humor was constant and his love generous. Clara, we will always be there for you and you know all you have to do is call. Love Jan & Fran LaVar.*
