“ Kenny was a good friend to me especially during an extremely challenging and depressed period of loss in my life, and he stood beside me and saw me through it when friends and those who understood were scarce and few and farther in between. I love you Kenny, you always were a genuine friend to me and I appreciate that I had such a dear friend in my life and you will be missed terribly. Thank you for being there for me my friend. Rest in peace now.

I met Kenny 32 years ago through my husband Larry Frost. We had some really good times and always admired his knowledge of Indian artifacts, arrowheads, foraging for mushrooms and determining safe ones to cook and eat. He was a great friend to us and will be missed but never forgotten. We loved you very much Kenny. Fly high with the angels.

I'm sorry to hear of Kenny's passing. His Mom Eleanor was a good friend of mine. Today I just heard of his Mom's passing when I read his Mom's obit that she died July 25th 2025. Eleanor's Brother Edward Jr. was married to my Mom years ago in the 60's.
