“ *Condolences to the Fischer family. Our thoughts and prayers go out to your whole family. Psalms 147:3 says God, "heals the broken hearted, and binds up their wounds." May God bring you comfort and peace.*

Kermit would always walk past my office door and say, "Hi Ma" and I would always answer back, "Hi Pa!" What a great man you were. We will miss you so much.

I am no writer but here goes. We became best friends in school and in high school we shared a locker for 3 years. We went to my 1st concert together it was James Gang, Humble Pie and Foghat I believe. That was a good time for sure. After high school we shared his Moms house for quite a while till he and Dorian married. They wanted me to stay and but no way was I going to that with them being newlyweds. Oh I was his best man also what an honor that was. In the big snow fall of 82 he and a lot of his friends made a long run from the snow with walls so we could go down it in inner tubes. What a blast that was. We had so many good times that I can't post them all. Well we started to have kids and he moved out of Cedar Hill we didn't see each other much but when we did we talked like we just saw each other the other day. I will forever love and miss him dearly. Kipper tell John hi for me and Rest In Piece. I'll see you on the other side when its my to go.....

“ *Here's another one! Kipper moved us from House Springs to Cedar Hill in 1980. I think both Dorian and Bob were working that day, so it was just Kipper and me. Not a huge deal since we had no furniture! Kipper grabs all our clothes and dishes and threw them (literally) into the back of his truck. We also loaded up my station wagon, and drove to Cedar Hill. I was nervous following Kipper because my dresses and other work clothes were hanging off the sides and back of his truck! Made it to Cedar Hill just fine. Great neighbors and great friends, Kipper and Dorian.*

“ I could send a million hugs, say a thousand words but none would be the comfort compared to the army of angels I have prayed for to surround you and hold you during this difficult period. My buddy Kip, school was so long ago with Ron Short and the school bus but our friendship is from that era. I can only love your words and attitude through all that you have share, all that you have touched with your laugh and smile. I am sorry you had this burden to bear, but your witness of Christ will outlast any life we may have. Thank you family Fischer, for sharing such a wonderful man with all of us!

“ Kermie, I woke up way to early this morning, I couldn't sleep so I came downstairs made a cup of coffee and read these memories your friends posted of you. I thought of a comment a Gold Star Mother shared with me one Veterans Day at Arlington about the loss of her only son. With tears running down her face she looked at me and said " I am grateful that I had him for 19 years than to have never known him ." So, I say to my dear friend, I am blessed beyond measure to have known you these past 16 years than to have never known you my friend.
Sincerely, Jarhead

“ I knew Kermit at church. I knew who he was. Pastor Kermit. I think I began to see his heart when he started posting his journey through his illness. Courage and humor and stark honesty. We laughed and prayed for him through the ups and downs. I'm grateful for his sharing his journey. It showed how a great man of God with a living faith in his Father God. Thank you, Pastor Kermit, for sharing your life with us.

“ Kip it seems like another lifetime when we hung out with the old gang in Cedar Hill ,, I'll never forget the night my 56 Chevy quit running on the old Hwy 30 Big River Bridge and you and Hoge and the rest had to get out and push the car off of the bridge .. All the concerts and other fun places especially the Kiss Concert were great times I call living .. Then we moved on to raise beautiful families keeping God close to us as we assumed our positions as Elders and Role Models .. You left us with beautiful descendants who have your values embedded in their hearts plus you will live on in the memories of those you touched during your time here on earth .. Love and Friendship never dies, it just grows stronger and spans Eternity .. RIP my friend, till we meet again..

“ If I were to write down memories it would take a book! When I worked at LCC I always called him Dude and when he became a Life Group Pastor I called him Pastor Dude! I remember when he helped Charlie move us into a house after helping the previous tenants move out! He was always full of joy and laughter and he always a kind word or smart alec remark that left you laughing so hard! And he loved to play practical jokes. We secretaries at church finally pranked him. He loved donuts. One morning we found a dead mouse in the kitchen. We put it in a donut box & put it on his desk. He laughed so hard tears ran from his eyes. He loved being "got". Heaven is richer, but we will miss him awhile. I wonder if he found Charlie yet?

“ So there's too many memories to go through, but the one that stands out the brightest now is the most mundane. You were driving Shannon and I to a birthday party and we were talking about something. Something to make you say the phrase "whatever rocks your boat." Shannon and I tried to convince you you had the saying wrong but you stuck to your guns and kept saying "rocks" instead of "floats." It still makes me laugh now. You will be dearly dearly missed, but I am grateful to have known you and been welcomed as part of the fam.
