“ I just learned of Kevin’s passing. Kevin & I were close friends for a couple of years in high school. Like so many people we meet while young life happens & the years pass by. Then one day you wonder what happened to that friend you once had. I have good memories of hanging out with Kevin. My deepest condolences to all of his family.

“ Dear Kottemann family,

I wanted to share how much I enjoyed Kevin every time we connected at a beer can collecting events. He, as many have said had a way of lighting up the room and so fun to hang out with. He will be missed by many in the beer collecting hobby.

I know this is hard time for family/friends and I will always have a smile/happy memory when I think of all my Kevin connections over many years. A good life!
