“ Kevin, I stayed with you until your last breath. I am so sorry that you had to leave us. It wasn't fare that the doctors couldn't fix you like we hoped they would. I'm just assuming that God wanted you back instead of healing you. I wish this was all just a dream and you would still be here with us. Now, you are our Guardian Angel. Please look over us and keep us safe. I will see you again when it's my time to go. I will forever miss you. I love you, Kevin!
