September 9, 1972 - October 5, 2022

Kimberley (Marsala) Caniff

September 9, 1972 - October 5, 2022

Kimberley passed away suddenly on October 5, 2022 at her home in Crestwood. She had just celebrated her 50th birthday. She was preceded in death by her parents Michael Wayne Marsala and Linda Sue (Eberenz) Marsala. She was survived by her loving husband whom she adored, Jeffrey Caniff, sister Tammy Sue Marsala-Joyce, niece Linda Sue Marsala, great niece Nora Sue Lyyski, and many other loved ones.

Kimberley was beautiful, generous, and fierce. She had a beautiful heart, loved her family and cared for everyone. She was passionate about her business, Poly Band Stands, and filled with much compassion for animals. As we grieve her passing, we also have many fond memories that we will hold in our hearts forever.

Our family has created a fund through the American Foundation for Suicide Prevention, in her honor. In lieu of flowers, please consider a small donation in Kim's name.

“ *I will always cherish the time I spent with Kim but it makes my heart happy and puts a smile on my face when I remember every time the two of you came walking into the salon holding hands, smiling and sharing loving looks with each other. I knew every time she sat in my chair we were going to have lots of laughs, share conversations of God's love & abundance in our lives and that I was going to get a big hug. Every visit was a blessing* ❤️

“ *We had so much fun in Branson. I will forever be grateful to have spent that time with you and Jeff. We celebrated the one thing we love more than anything and that's God. Kim was so special the most energetic, loving, and caring person I knew. Kim loved so hard and cared so much. Kim you will always be in my heart my sister, my friend you will be greatly missed. A shining star gone but never forgotten. Although I will miss you God needed you more so for now so long my beautiful sister till we meet again.*

“ Kimberly, I love how you loved my brother. Pushed him to be a better man and encouraged him to be the best version of himself everyday. You were a bridge, or certainly were trying very diligently to be a bridge in so many areas of our lives. Seeing Jeff as a heartbroken, humble man is challenging to observe but I do know his plans involve continuing to be a better man and to give back to the community. He speaks about the plans you had in the church community. Although you are not here in the flesh, I hope you're able to protect his soul and heart and help him to continue to walk the spiritual path. I love this screenshot of us when I was at an exciting rally for #45. Although the time was dividing for a lot, it was connecting for us Caniff's. Your warmth, smile and positive vibrations will be missed.

Love you, Dede
