

Kimberly A. George

September 8, 1962 - June 26, 2025

Kimberly A. George, 62, of St. Louis, MO, passed away peacefully at home surrounded by love on June 26, 2025.

She was born to Judith T. Foster and the late Norman D. Foster on September 8, 1962 in Pasadena, California. In the early 80s, she moved to St. Louis where fate introduced her to her husband of almost 40 years, Norman J. George, II. Together, they shared two children and three grandchildren. She found her greatest joy in spending time with her children and grandchildren. Her eyes would light up in their presence, and her love for them was the center from which everything else revolved.

Kim was a true California girl who brought sunshine with her wherever she went. She had a lifelong passion for horses and cherished every moment spent in the saddle. She also had a deep curiosity for the past, dedicating many hours to researching genealogy and uncovering the stories of those who came before her.

She dedicated over 35 years of her career to Maritz Travel, where her reliability and strong spirit left a lasting mark. Her time there wasn't just about work—it was also about friendship. She formed many lifelong bonds that she truly cherished, and her colleagues became like family.

Her tenacity, boundless generosity, and fierce love will be forever remembered by all who knew her. She leaves behind a legacy of strength and family—one that will live on in the hearts of those she knew and loved.

She is survived by her loving husband, Norman J. George, II; her children, Ashley Pfannebecker (John) and Norman J. George, III (Mary); her grandchildren, Margaret, Mila, and Josephine; her mother, Judith T. Foster; her siblings, Norman Foster (Sini) and Gabrielle Millenbruck (Brian), and many nieces, nephews, cousins, aunts, uncles, and dear friends.

She was preceded in death by her father and many cherished extended family members.

A Celebration of Life will be held on Wednesday, July 2nd, 2025 from 10:00 a.m. until Noon at Chapel Hill Mortuary in Kirkwood. Inurnment will follow on site at Oak Hill Cemetery. Kim was never one for dressing up, please come dressed comfortably and bright, or however you'd like.

In lieu of flowers, memorial donations can be made to the Compassus Living Foundation. (<https://compassuslivingfoundation.org/give/>)

This is the organization that granted Kim's final wish to pass peacefully at home. The Compassus Living Foundation is a nonprofit organization enabling loved ones, friends, and advocates to honor patients who have received hospice care. Your tax-deductible donation ensures hospice patients and families are connected to the resources they need.

“ My deepest sympathies go out to Kim's family and friends during this difficult time. Whenever I think of Kim, her endless smile and infectious laughter come to mind. I met Kim while working at a restaurant during high school. Those days were filled with many joyful moments—both during work, after hours, and as we grew from teenagers into young adults. Kim’s beautiful, glowing spirit left a lasting impression on everyone fortunate enough to know her. She will be dearly missed, and her memory will always be cherished.

“*Kimberly was one of the most positive individuals I have met. She always had a smile and a thoughtful "I love you and miss you" each time we communicated.*

“*What a beautiful smile and positive attitude Kim always had. I talked with her often, and as her stepmother, we always told each other how much we missed our time together and at the end of every phone call or message we ended our conversations with "I miss you and love you". She will always be a special person in my life! Since losing her father Norman in 1998 we have kept in contact and shared lots of memories together of the fun times we not only had with him, and how much we all miss him, but the great times we shared with the rest of the family. Her children and grandchildren, and of course her darling husband Norman kept her trying so hard to keep going and be so brave. Not only for herself but for them. Her loss is great and painful. I truly feel her father Norman and her stepsister Jennifer were at the gates of heaven to welcome her home!*

Much Love forever,

Sue Mom

“ Any room was brightened with Kim in it! When she was with you she was Truly Present!

I recall the day she ran out to my car to ask what I thought of a weird symptom she had been experiencing. Who could have guessed it was MS... except of course it was her greatest fear. Genetics.

She was so brave. Smart and positive. And Then.... slammed with this ultimate challenge.

She will be missed by her family and so many friends ... Especially by her Mom and my dear friend,, Judy.
