Kimmy was Such an Amazing Person

Those who were around her long at all, “caught on” to the fact that she was quick witted, funny, and intelligent. And she was such a kind Soul with that amazing heart of hers, very alert, always paying such close attention to everyone around her... not only to what they said, but to how they felt about what was going on. There was just so much that went into the makeup of who Kimmy was, I find it difficult to condense it down to this small sheet of paper.

But when you think of Kim in the coming years and we remember her so “fondly,” it is the LOVE that you will remember. For that’s what she was all about... She LOVED Friends And Family. She loved to laugh, she loved to joke. Kim had such an awesome sense of humor about her that, well she was just a Joy to be around. Her “Aura” just seemed to light up the room. And that Smile of hers was truly infectious. Overcoming many of the obstacles in life, Kim, being born with severe Cerebral Palsy was able to learn to learn to communicate. She spoke so clearly when saying, “I Love You!” Perhaps that was she because as she said those words, her heart shined through.

Kim and her Mother liked listening to music together, Country Music especially. She really liked her T.V. shows too, especially the comedies. Kim loved the Lord, and was a member of the church of Christ in House Springs, Missouri

Mom & i always loved making Kimmy smile and laugh when we were visiting. Such a sweet and gentle soul. Kimmy you can now run & play in heaven, try to keep the noise down a bit when you're parting, visit all the family and keep a watch on your momma & family. Go rest high on that mountain with the good Lord by your side. Much love ❤️ & hugs see you on the other side sweet little lady.
