“ *Dear Tracy, I am sorry for the loss of your son, I remember when you stopped by my mom's work to tell her you were having twins! She said you were so excited, I was so happy for you! I am deeply sorry for you Tracy, and for Korrie's twin sister Karrie and big sister Krystal. May Jesus Christ bless and comfort you as only He can. " ...and He (Jesus) shall wipe away every tear from their eyes... There shall be no more death, or crying or sorrow or pain..." Revelation 21:4).*

“ Dear Tracy, You, and your whole family are in my thoughts and prayers during this tragic time, and you have my sincerest and deepest sympathy and condolences. Please know, and believe that your faith in God will sustain, comfort, guide and grant you peace from now until you meet your son Korrie, and brother Travis, again in Heaven. And also know that they are rejoicing in Heaven with members of your family that have gone before them. Our lives go by quickly, in a flash, and before you know it we are at the Heavenly gates, welcomed Home and reunited eternally with our beloved family members and with our Heavenly Father. When you have time, read the book, "90 Minutes in Heaven" by Don Piper. I believe it will bring you comfort and peace knowing that Korrie, Travis, your mother, and Little Tony are truly happy in Heaven, and would not want to come back. The book has brought me peace and comfort knowing that my family members that have passed are truly in Heavenly Paradise, and even though I miss them terribly, I rejoice for them as well and it helps me. May God cradle you and your family tightly in His arms, surrounding you with His love, blessings, peace and grace, always and forever. I am a former Northwest High School classmate of you and Benji. I had several classes with both of you. With peace and Christian love, my heart and prayers are with you.
