“ *Larry had a very sweet spirit and our hearts are absolutely broken to see his life on earth ended so early. We look forward to seeing him again on the other side and thank God for His grace and mercy in the life of this young man! We look forward to seeing his smile again and getting a big hug! Our niece(Laney Grace Webb) and Larry were beautiful together. God bless all his loved ones and especially his grandpa, who loved his grandson so very much.*

“ To all of Larry's beloved family, I just want you to know that we loved Larry. He really enjoyed having him around. We wanted him around more. Had considered inviting him to work with Lee at the family business. We were there when he accepted the Lord Jesus on my birthday (Super Bowl Sunday.) And we are here for you now if you need anything. Our hearts are aching not just for all of you and our daughter but for our own loss. He was beginning to see the big picture and we mourn getting to watch him play it out. We are grateful for the times we had. We are praying for you. And we miss him already.

“ Larry & Jennifer, As you both know, I have loved Larry since the first time I saw him. Those beautiful eyes, multitude of freckles, 500 megawatt smile and 6 year old charm took hold of my heart and never let go. 15 years later, I've watched him grow from that little boy to such a caring, compassionate, and sensitive young man. Please know that my love will not end, not for my Little Larry, but also for his parents. He will forever be a part of my heart, and I will smile each time I think of him.
