“ I am a client of places for people sreeja and i were very close, i just wanted to say to the Smith family that you all have my sympathy but just remember that she is in a better place and Sreeja does not have to worry about no health problems at all or what may have caused her death. I looked at Sreeja as a sister and I loved Sreeja so much, I will keep you all in my prayers. May God Bless You and Keep your heads up I know it is hard at this moment but it will get easier as time goes by.
