Lorraine.. Lavonne did Not even know you and she didn't want to ever know you. She thought of you as an awful person who was cruel to her sister. So get permanently lost

“ My condolences to the entire family. Lavonne and I had a rocky beginning when I became the second Mrs. Cule, but over the years and shared experiences I believe we developed a true fondness and concern for one another. I will miss our late night texts when we both complained about life and many of the people in it. Rest in Peace my dear.
