“ *Our family is truly sorry for your loss. No matter how much we think we are prepared, when someone we love moves to the final phase of their life, we find the great hole they have left in our hearts, minds, and lives. Saying goodbye is so difficult, but knowing your dad is now with your mom and they are both looking out for all of you is such a comfort. God Bless and keep you all in His tender care currently and in the future.*
