“ Dear Becky, I was so very saddened to learn of Larry's passing. I regret that, after exchanging phone numbers and then Covid coming along, the four of us were never able to get together. I look back so fondly on Larry and what a pleasant surprise it would be to run into and have a quick chat with him or the both of you after Mass or the doctor's office. He was such a nice man, a good man, a quiet giant of a man. May you and your family find peace in knowing he continues to love and care for all of you from above. The Leonard family is in my thoughts and prayers. God's blessings on Larry and your family.
Lovingly, Maria Mazzella Hoft

“ Larry and I really liked each other in high school. At our 50th he told me I looked better than when I was so skinny! I found that very sweet since who knows how much I've gained! And the best yet! He married my friend Becky who was in Mariners with me and did musicals maybe??? Memory on that is a tad foggy. But anyway, Larry you've left a wonderful legacy and God will be pleased. I hope your passing was peaceful and that you are romping with the angels! I hope your family draws strength from messages like mine from people who remember him well but did not maintain contact!

“ A Very Good friend and I always enjoyed our hunting trips and his generous hospitality. We shared a very conservative political belief and had many enjoyable discussions about that subject. I will certainly miss all of that but, never forget the good fellowship we shared. I pray for peace for the Becky and entire Leonard family.
