“ To all of Lawrence's family, I was his aide for the past few months. I absolutely adored him. Him and I spent a lot of time together. I looked forward to seeing him every single morning and he looked forward to seeing me. I would have bent over backwards for this man. I talked about him often to my family and they too were very sad. My oldest daughter had the pleasure in meeting Lawrence and she too adored him just like everyone else. He met my 1 year old baby girl, he lit up like a Christmas tree when he met her! Smiled so big and he had a twinkle in his eyes! I definitely miss him like crazy and he will always have a place in my heart. Very sweet man! My condolences to his family, heaven definitely gained an angel... Im hoping they have enough chocolate there for him! Rest easy Lawrence!

With love,
Your aide, but more importantly your friend!
