“ *It is my regret to say that I did not know Leona in person; however I have 'known' her through Diane's stories about her. Such a dynamic and vivacious person.....without doubt you will miss her! My sympathies and prayers are with you. With love, Sarah*

“ *The Lee that I knew and loved, could be delightfully entertaining. She was woman who knew her own mind and was comfortable in sharing her thoughts. I am so glad I had a chance visit with her this summer . I will miss her.*
