“ *I met Linda at Stonebridge Senior Living when we roomed across the hall from each other. Spent many a sleepless night talking, laughing, listening to music, sharing dreams, discussing our fears. Somewhere in all that we became good friends. I loved how she lit up a room with her smile, and how her kindness and giving heart drew people to her. I am just so very sorry we didn't have more time to together.
Rest in peace my friend, you are deeply missed.*

“ I worked with Linda in therapy numerous times over the years and we had such great conversations. She spoke of her family with so much admiration and you could tell how proud she was of her son and daughter as well as her grandchildren. I'm happy that she can now breathe freely and spend time with her husband, but she will be dearly missed!
