“ I just found out yesterday of Peggys" passing. I was so sad upon hearing the news as she contacted me a couple months ago after 30 years. Was planning on trying to see her when I came into the St. Louis area in a couple weeks. We became friends when she came to Hillsboro High and was in my first wedding. I hated that we had lost contact with each other and was so glad to hear from her when she called. She was a sweet person and my thoughts and prayers are with her family at this difficult time. “ I learned of Peggy"s death earlier today through an e-mail from a Maplewood classmate. Peggy and I were friends at Valley School. We were in the girl scouts together and walked home from school together regularly. I often came to her house to play after school. I remember Peggy as very kind and fun loving and she was a good athlete. Please accept my condolences on your loss. I"m sorry we were never able to get together at a class reunion. I will keep Peggy and her family in my prayers.
