“ I worked at Sauer Machine with Lonnie. He started in 1966 and I in 1966. I was in the sales office. Frequently I would go next door to the plant. Lonnie was one of my favorite guys to interact with. He always had a big smile and sparkling eyes. He had a great attitude at work and was proud of what he accomplished. I jokingly called him "Sha na na" because of his duck butt hair style. I retired January 2016. I will still miss him.
