“ *Dear Debbie and Denise, This is Sue (Campbell) Warner that graduated with you. I am so sorry for the loss of your mother. I just lost my mother on 11/16/15. She is buried at Chapel Hill also. I know the pain you are all feeling right now and my heart hurts for you. We graduated together and shared the same birthday so its ironic we lost our mothers so close. I know your parents loved you so much and I can picture you both riding your horses and living back by Dave Bush Ranch. If I can help you in any way or if you would like to talk call me. I still live here in House Springs. Be strong my friends and your love will help you through. May your mother and father rest in peace. God bless you all. Love, Noel Sue and Aaron*

“ *The years go by too quickly, Lorraine. I remember coming to the farm, from Michigan, as a 3 year old and meeting Deb and Dee. I was fascinated that they looked just alike! Through the years you encouraged us to become pen pals, as we learned to read and write. I always looked forward to a letter from Missouri. Then came all those vacations and visits back and forth to celebrate many, many special occasions. I am so grateful you and Allan met my parents, Dick and Nora Jorgensen all those many years ago in the Army. Your family has been a very important part of my family - the Missouri connection! I will miss you dear friend, rest in God's peace. Love, Carolyn*
