“ *Ellen was a truly remarkable woman with endless patience and the ability to stay calm amidst the storm. We met when Drew and our son, David, were at Clark Elementary School and Ellen asked me to join her as Cub Scout Leader. What a wonderful teacher and mentor she was!*

A true servant and encourager, she was always positive and approached challenges with tact and gentle people skills. She gave 110% to any task she undertook and served the community well, along with her beloved husband, Jack. Our little corner of the world is a better place because Ellen and Jack were here.
