“ *Lucille highly was my bus driver for many years. She always had a smile on her face each and everyday. When I was in middle school I had to 2 choice I could ride to my house the first stop or ride it til she had to get the kids at the elemantry school and be the last one off. I always sat in the front seat right behind her and she always had pictures and she told me stories about each one and when one was add it was usually a grandchild. She was a sweet sweet lady and it is sad I didn't find out til today. May god keep her singing and playing music. She will always be bus number 5 bus driver to me. May your family be loved with the warmth of her memories.*

“ *Some of my fondest memories as a child were spent at Uncle "Buck" and Aunt Lucille's home. And even into my adulthood. The family gatherings with the music. Gary, Danny, and Billy along with other relatives playing and singing all day and night. The best of times. All who knew them, loved them. Aunt Lucille will be missed by all.*
