“ *My grandma was an amazing strong willed woman with a huge heart. She would leave her door unlocked for anyone who needed a place to lay there head. She raised her children and grandchildren and many more. Right now she's dancing with the Lord as her fingers are snappin and foot is tappin swinging her hips side to side. I'm sure she's smiling as her her pain is no more. I couldn't be more proud to call her my grandma. Till is day when I play cards I must yell out "well f\*\*\* a duck" at least once! Giggling everytime! I love you grandma you will be missed by more than you know. You were truly a remarkable and incredible woman! Hugs my daddy for me. Xoxo*
