

Lucy LaGail Roulhac

May 13, 1950 - September 17, 2022

Lucy LaGail Roulhac passed away unexpectedly on September 17, 2022. The family is both devastated and shocked by her death. She was 72 years young. Lucy, affectionately known as Gail to most, was born on May 13, 1950, to Clarence and Cleotha Roulhac of Portsmouth, Virginia. She was preceded in death by her parents and sister Gwendolyn Buffaloe.

Ever since she was little girl, Lucy was an avid reader. She could always be found with her nose in a book, even when she was supposed to be doing chores. Lucy graduated from I.C. Norcom High School and went on to further her education, earning a Bachelor's in Psychology from Norfolk State University. She later moved to St. Louis, Missouri, where her sister Joyce lived. She obtained her Master of Public Administration from Southern Illinois University Edwardsville. Her career included working as a counselor, structural building inspector, social worker, and epidemiologist HIV/AIDS coordinator. She was a member of the National Association of Black Social Workers and Alpha Kappa Alpha Sorority, Inc. She was also a published poet.

Lucy loved to travel. She visited France, Germany, Switzerland, the U.K. and West Africa. She was always interested in discussing current events, history and science. Lucy could hold a conversation with anyone. And she did. She was a joyful presence with her colorful clothing and creative fashion choices.

Lucy loved to sew. She had a passion for nature. As a cat and dog lover, she was known in the neighborhood for her daily walks of Moe and Marley, whom she spoiled.

A serious woman who could cut you with her tongue or give you sound advice, she left an impression on all she met. Lucy has a legacy as a loving, generous, devoted sister, aunt, and friend.

Lucy leaves to cherish her memory her siblings Clarence Roulhac Jr, Joyce McDaniel, Dwight Roulhac, LaMyra Astrop, Ronnie Roulhac, and a host of nieces, nephews, cousins, friends, colleagues and neighbors.

Please accept my deepest condolences. Gail was one of the smartest people I've ever known. She had an intellectual curiosity about all matter of things, politics, science, religion, history, films, literature, poetry, music design, social interactions & the workings of the human brain. .She possessed a quick wit, strong will a kind soul & a heart of gold. She could be sharp of tongue yet never made the recipient feel small. She willingly gave sound advice & guidance. My memories of her depict a woman of great intellect, strength, faith , humor & loyalty. I miss her. Dave Malbrough
