

Lynn B. Bullerdick

May 3, 1947 - February 1, 2025

Bullerdick, Lynn (nee Blackwell) of Manchester, Missouri, was born May 3, 1947 in St. Louis, Missouri to Dwayne and Margaret (nee Wilson) Blackwell and entered into rest Saturday, February 1, 2025 in Manchester, Missouri at the age of 77 years.

She is preceded in death by her parents, Dwayne and Margaret (nee Wilson) Blackwell, her brother, Kent Blackwell, and her son, Doug Bullerdick.

She is survived by her sons, Chad Bullerdick, Craig (Kara Brostron) Bullerdick and daughter-in-law Chrissy Bullerdick; her two grandchildren, Zach Bullerdick, Matt Bullerdick; along with numerous other extended family and friends.

It is with heavy hearts that we announce the passing of Lynn, a devoted mother, doting grandmother, and beloved sister. Lynn dedicated her life to her family, cherishing every moment spent together. She adored hosting holidays, creating joyful gatherings filled with laughter and love. Her smile could light up any room, and her infectious happiness was a source of inspiration for everyone who knew her.

Beyond her role as a mother and grandmother, Lynn was a cherished friend who maintained lifelong connections with her high school buddies. Whether it

was catching up over shopping or reminiscing about old times, she valued these relationships deeply.

A lover of life, Lynn enjoyed indulging in her passions. She had a keen eye for jewelry, often spending afternoons shopping for the perfect piece. Evenings were often spent engrossed in thriller movies, captivated by the suspense.

One of her greatest joys was cruising in her convertible, the wind blowing through her hair as she embraced the freedom of the open road. These simple pleasures were what made her life beautiful.

Lynn touched the lives of everyone she met with her kindness, warmth, and vivacity. She will be dearly missed but forever remembered for the love she shared and the joy she brought to the world.

“ Lynn and I met as little girls and were pals all through school and after. Many of us remember her well, fun to get in trouble with as one of 'the girls' said. Her house was one of my favorites because it was so different from mine! I loved spending the night, SHE had a big brother (who was sooo cute), she had a big swing from a tall tree, she had a trampoline...who didn't love visiting! Her mom was active in our scouting activities too & we were very fond of her. We and Lynn's other life-long friends will miss her, especially at our upcoming 60th high school reunion. I know she will rest in peace and love and send condolences to her family.

“ When Lynn's brother Kent, became very ill with cancer, she drove to Cincinnati to help take care of him. She stayed with us for several months and helped by accompanying us to doctor visits, sitting with him by his bed and talking with him, and helping me with the treatment decisions. At the time, I didn't realize what a gift that was, but she made a very difficult time a little easier. I will always be grateful to her.

I may have a picture of Kent and Lynn's grandmother as a child and great grandparents as we are related and a couple distant cousins and I have connected. I would love to share it with someone in the family if at all anyone is interested. Maybe someone will recognize it and confirm it. I am fairly certain but not 100% positive.
