“ Just want you to know of our heartfelt love and support to you and your family. Randy was a daily reminder of what it meant to be dedicated to his family and his job. I clearly remember the days that we went to lunch together at Freedom Phone days and what a difference that time meant in my life as well as my career. Our thoughts, prayers and heartfelt love go to you and your family.

“ Grandma, you were an amazing woman. The memories of you will always be with me. The holidays were always so much fun with you. You cooked everything you could think of for the family to enjoy. We went home stuffed and you still sent us home with a plate full. You were always there for us all to talk and to listen. Will miss you so much Grandma. You are with Grandpa now. Rest in peace. Love you !

“ She was a good Granny taught me right from wrong, never went hungry around her she was a great cook, could turn a canned ham into the greatest meal you ever had. made some mean chicken and dumplings and this cranberry and nut dish that was awesome. her and Gramp teased my appetite for the outdoors with trips to Clearwater Lake camping at Thurmans point then at Bluff View, early trips to lake of the ozarks or also etched in my memory Granny loved me unconditionally .
