

## Margie Marie Brown

February 21, 1976 - September 5, 2022

Margie Marie Brown, 46, passed away Monday, September 5, 2022 at St Lukes Hospital in. Margie was born on February 21, 1976 in Saint Louis, MO to Leroy and Mary (nee Prettyman) Brown. She is preceded in death by her Father, Leroy Brown She is survived by ; Mother, Mary Brown, her brothers ; Gary Brown and Jerry Brown , her St. Louis Arc residential, leisure and day service family for over 24 years of her short 46-year life. Margie's infectious smile will live in our hearts and minds forever. Margie will love holding and petting puppies through eternity. That was her biggest dream - to own a dog. She was able to live part of this dream by volunteering at the APA and many neighbors in the neighborhood would stop by if she was outside to let her pet their dogs. Other interests of Margie were socializing with everyone she saw, meeting new people, going out to dinner, going to movies, shopping or just sitting outside talking to whomever may pass by. None of us will ever play UNO again without thinking of Margie. She was the master UNO player.

Margie was the happiest person all of the time, she had a forever smile and a great love for chocolate

She was an advocate for herself and others, a teacher and a friend to us all.

she will be fondly remembered and dearly missed by all who knew and loved her. Please gather and connect with the family at the Visitation Thursday,

“ My favorite memory of Margie is from the day we first met. She was hanging out in the community center by the ARC offices and asked me if I had a dog, and then to see her when I told her yes. I told her I didn't have my phone on me, but that the next time I saw her when I did have my phone, I would show her.

No more than 15 minutes later, Margie came to my office and the first thing she said when she saw me was, “Do you have your phone? Can I see your dog?”

She was an absolute light of a person and I will truly miss seeing her.
