“ *worked with BoB at sears back in 1997 and he use to tell me all about his lovely princess but i never met. In 2001 I met Marie when i started at House Springs walmart. She use to talk about Bob and her eyes just let up and we laugh at different storys she would tell. It wasnt until years later that Bob came to walmart to pick up marie that i realized that i knew Bob. He was correct she was a princess a great lady always willing to listen a real sweet heart. she will greatly be missed. I'm sad to hear she has passed but Im happy that Bob and Marie can embrace each other once again. may god bless you and your family*
