“Ms. Marilyn was there with me when I first found God. She and I sat in a pew alone together and every time I saw her she encouraged me in my faith and hugged me with her arms around me and her heart in every second like I was welcome. I will truly hold her close with me all the days of my life. My very first friend of encouragement in my journey with Christ. How I will always love her dearly. God blessed me with you Ms. Marilyn and in my heart you will always live. I will thank God for Him choosing you to be the one to hold my hand when I've doubted myself. God's grace be with you and all of us through this time I pray. Amen.
