“ *Where do I begin! So many memories. I had always called her MOM for so long that it was 7 years into everything I seriously had to ask Star what is Mom's name I never knew her by anything else but MOM! She was always so excited to see us walk into her house unannounced. Even though she hated that. Wanted the house, her hair, everything to be perfect. To us she was perfect just the way she was! Her laugh! Loved her laugh! She would just get so tickled over the slightest things which would just make my day. Gotta love her tin can of pennies to make the dogs stop barking ...lol. oh, MOM you will be so missed but NEVER forgotten! Until we meet again! Love you! Jaxton and Katelynn love and miss you too!*
