“ *I am so sorry to hear about Mark's passing. He was a great friend to me at Grinnell and then while we all were living in Champaign while I went to law school. He even hired me to help build a football stadium! I shall surely miss having him "out there" in my life. My sympathies to Kate and the children.*

“ *Kate, I am sorry for your loss. Mark and I were friends in college and were in touch intermittently over the years. Most recently emailing when he was earlier in his illness. Hoping that you find comfort from your family and friends at this sad time.*
