“ *In loving memory of Mark Allen Clifford Knowing Mark was a blessing! He showed me what true sacrifice and friendship really was. He gave up all his time and effort to show what a decent human being he really was! I believe God speaks through circumstance and Mark Clifford was part of that journey! Having a personal relationship with Christ is another. Personally I accepted Christ when my life was at its worst. Maybe we are not only saved by our good works but by Grace! Condolences*

“ Mark was a very talented cartoon artist in his younger days! Showed me a picture of a souped race car he drew in middle school! Use to love riding bmx bicycles with him. We loved jumping dirt mounds or ramps! The first time I met Mark I was 10 years old this kid I never met jumped on the back of my bicycle with half flat tire said give me a ride kid! In the middle of July in 100 degree heat I pedaled him home 5 miles! We was the best of friends after that! We loved going to the drive-in with Marks brother Bob. Bob named his 69 Ford Galaxy the Roach Couch! Mark and me would pitched in \$5 for gas then his brother would put us in the trunk and sneak us into the drive in! We would sneak out my parents car and go for joy rides! Drive 500 miles on a weekend night for something to do! I think the best thing we did together was sneak out my Grandpas fishing boat late while everyone was sleeping! Mark was a very avid fisherman! We caught lots of large mouth bass! Mark took me along to many his Toy shows! Mark was a big toy collector! Mark would always make me laugh because he was always the bigger kid than me! Best Friends always! Michael
