“ I lived in Brentwood Forest from 1998-2012. For 12 of those years, I played on a co-ed softball team with Mark. He was the left fielder every team wanted...amazing athlete but just a great guy to have on the team. He was always positive, always a great person to be around. We shared many beers together over the years and his smile and sense of humor were wonderful gifts. He will be greatly missed by me, the team, and all who had the honor of knowing him.

“ So sorry to hear of Mark's passing. He was my neighbor in Brentwood Forest, back in the early 2000's and the main reason I met my now husband of 16 years, Jim Canoy. Jim and Mark were on the Brentwood softball team together. Mark could not have been a nicer person! Our deepest condolences. Jim and Lori Canoy

“ My cousin Mark was one of the nicest people I ever knew. Always kind. A memory of mine that always brings me happiness. When we were kids we were at my grandma and grandpa’s house out in Marthasville Missouri and my uncle Mark ,Mark’s dad, and my dad we’re hanging paneling downstairs, Marks job, Mark Junior my cousin was to hand out the paneling nails he was so little and so cute we were just kids. And my dad and my uncle kept pointing the nails to a certain side because one was on one side of the room the other was on the other, and my cousin Mark, his job was to go get the nail and take it to the right side and my uncle and my dad kept pointing to nails toward the wall that it should go to. they really had him going, he was doing such a good job then they started switching the nails to the other direction. Well he got so upset such a little cute boy he said you’re handing me the wrong nails. I’ll never forget my dad and my uncle laughing, I laughed. It was the cutest memory, it always brings me happiness. I know he is happy now as always, and we will all be together again. all my love, Vicky (Leuthauser)Paul. ❤️
