“ Mark was such a special human being ... he had the kind of personality where you felt like you've known him your whole life... he would mess with ya and tease in a fun way to really make you feel like part of the family... Mark and I shared a love for the music group KISS and for Mt Dew ;-)
Our daughter, Billie ShiAnne, sure loved her "Uncle Mark" ... he was so good with the kiddos ... maybe because he was often a big kid himself ... full of love & laughter ... I know he is experiencing so much joy at this moment, maybe sharing a Mt Dew with Jesus and seeing his Dad Bill again ... I can only imagine ... we'll miss you sweet brother ... but we'll see you when we get there... love you.
