along with numerous extended family and friends.

Marvin knew no stranger, making friends with people wherever and whenever he wanted. He graduated from Mapaville State School in 1991. His love for swimming, playing pool, and tractors was never questioned. You could find him waiting for heavy equipment operators and truck drivers to honk while he

smiled and laughed every time. Visiting with friends or strangers, who quickly became his best friends, was not unusual. He loved visiting people at church, or really anywhere. One of his favorite things was visiting his brother. He loved his family like none other. Marvin will always be remembered for his smile, laughter, outgoing personality, and love for life. He will be fondly remembered and greatly missed by all who knew and loved him.
