“ Dear Ray Family,

*I was deeply saddened to hear of the loss of your dear Scott. I knew Scott several years ago during my years as a teacher in the DeSoto School District. He was an extremely kind, warm caring and decent young man. I want to extend my deepest sympathy to each of you. May God bless you, and may you find peace and comfort in the days ahead of your loving memories of Scott.*

“ *I am always so sorry to read about a former student's passing. Being the tallest in his kindergarten class, I always had to hand things a little higher from the ceiling. If not, that little smile told me he was going to jump until he could reach it. If this suit was for Prom, I wouldn't be surprised. I am so sorry for your loss. Sincerely Mary Lou Cowie*
