

Mary Binch

February 22, 1957 - November 16, 2016

Binch, Mary Lou Surrounded by the love of her family, Mary Lou Binch, 59, entered into the Lord's embrace the evening of November 16th, 2016. A friend to all, Mary brought comfort and light to her patients as a dental hygienist, working side-by-side with her husband for over 25 years. Most of all, Mary loved working with children and nurtured this passion through her service to child advocacy programs, including Cardinal Glennon, Oasis tutoring, and Voices for Children. When not volunteering, Merry Mary could be found maintaining an upbeat attitude in the back row of Jazzercise, cozying up with a favorite book, passing out treats at Puppy Play Date, or laughing with her sister on their weekly TGIF phone call. Of Mary's many gifts to this world, Mary was most proud of her two daughters and her 33-year love story with her devoted husband and soulmate, Brian. Mary's unconditional love continues to radiate through her entire family and all those blessed by her friendship. In lieu of flowers, the family asks that you continue her selfless legacy through a donation to Cardinal Glennon Children's Hospital (www.glennon.org).

Services: A memorial mass will be held at Mary's parish church, Annunziata, at 1 PM on Saturday, November 26th. Immediately following the service, please join Mary's family and friends in the Ambassadeur Ballroom of the Hilton Frontenac to celebrate her life over shared memories.
