“ Aunt Mary brought happiness to my childhood. She was a beautiful person inside and out. I remember riding with my grandmother to Aunt Mary's house. Always a fun place to be, always loved and always accepted, always wanted at Aunt Mary's house. So glad she was part of my childhood. I grew up but the memories stuck and the impression she left on my life is everlasting. I remember when she bought a car and my grandma was teaching her to drive, up and down all those roads, me and my sister sitting in the back seat taking in the scenery. Sorry for your loss to her entire family, but knowing the angels are loving this one. Glenda Lundak

“ Mary was an exceptional woman. A kind heart and a strong spirit. Every time we met I could expect a loving hug and genuine smile. She was forever attempting to turn me, and likely every other young lady, into a farm girl. My deepest condolences to each of you as I know she will be missed dearly.

“ Words can not express what Grandma Mary has ment to us. From the moment she walked into my life, she made it better. I wasn't just Cj's wife, I was her Granddaughter too. She taught me so many things including how to be a farm wife. "It takes patience." she would say.

When our daughters were born she said she had two more girls to love! I can not begin to tell you the impact she has had on their lives. From teaching them to plant a garden, taking care of chickens, or dancing in the kitchen, my girls have made some of the best memories with her.

I could go on all day talking about how she has made an impact on our lives. She will truly be missed!! Fly high Grandma!! We love you and will miss you everyday!
