“ I knew Sreeja for only a short time. What an amazing person. I am so very sorry to learn of your loss. I got to hear one of her poems once. Her words and her drive to perform them were an inspiration. Everyone who met Sreeja was better for it.

“ You would have come home today to celebrate my birthday. How I miss you. Had Grandma for two weeks. She fall and broke her arm. What a trip. Went pretty good. Try to come bye and visit you ever week. It is very hard to see you there. Miss you everyday.
