“ I have been with Mary for several years while at Emmaus, my favorite memories of her are making me a birdhouse for my birthday with mine and Kenny Chesney name on it..and when she used to chase me around house trying to find me, when she would see me and say there's my best friend and hug me, or when we used to pillow fight at White House. when she would come up to me and say what's up squirt, or sing songs to staff on their birthday with her guitar..so many more..Mary will be missed and is soooo loved..she's my little BFF. she always made me look forward to going to work
